

Child Safety At The Window

HunterDouglas

Enhancing Your Home's Windows

Vignette® Modern Roman Shades with
LiteRise® cordless operation

As Well As Your Home's Safety

As babies grow, so does their curiosity with the world around them. Basic household items, including window coverings, can turn into potential hazards. Making our window fashions safer for homes with infants and young children is a top priority and we are continuously creating new lifting systems to improve the safety of our products.

Create safer homes with our innovative ideas

Our window fashions, designed with safety in mind, are also a beautiful addition to your home's décor. Choose from an abundant array of fabrics and colors that complement current trends, yet are versatile enough to carry a child's room from nursery to toddler to teen.

With our extensive selection of contemporary styles, you're sure to find the perfect choice for every room in your home. Read on to learn more about the many safety features we offer, and visit hunterdouglas.com to see our full collection of custom window fashions.

Cordless Operation

Duette® honeycomb shades
with LiteRise® cordless operation

Designed With Safety In Mind

LiteRise®

With our LiteRise® cordless operating system you simply use your fingers to raise or lower the product. It helps to reduce potential safety hazards, while also offering a more streamlined appearance. Available on:

Applause®

honeycomb shades

Brilliance® pleated shades*

Chalet Woods® wood blinds*

Country Woods® wood blinds*

Duette® honeycomb shades

EverWood® Collection

alternative wood blinds*

Modern Precious Metals®

aluminum blinds*

Vignette®

Modern Roman Shades

Motorization

A wide variety of Hunter Douglas window fashions are offered with motorized options that eliminate the lift cords and allow the product to be operated at the touch of a button. Options include wired and battery-powered motorization. Available on:

Applause

honeycomb shades

Brilliance® pleated shades*

Custom Vertical Blinds

Designer Roller Shades

Designer Screen Shades

Duette honeycomb shades

Luminette® Privacy Sheers

Nantucket® window shadings

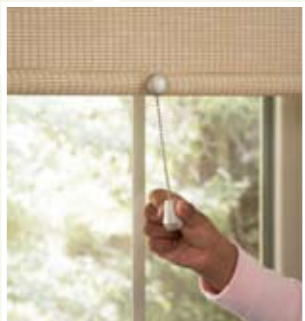

Provenance®

woven wood shades*

Silhouette® window shadings

Skyline™ Gliding Window Panels

Vignette Modern Roman Shades

Cordless Lifting System

For enhanced safety, our spring-like clutch lifting system features a decorative pull in place of a traditional operating cord to raise and lower the shade. Available on:

Designer Roller Shades

Designer Screen Shades**

*These products do have exposed inner cords that can pose a strangulation danger to young children. Never leave young children unattended, especially in areas where they can access the windows. **Available 9/09.

Cordless Operation

Heritage® hardwood shutters
with cord-free operation

Designed With Safety In Mind

Vertiglide™

Hunter Douglas Vertiglide™ vertical pleat system is the ideal choice for side-to-side openings, sliding glass doors or as a room divider. No lift cords, chains, or wands make Vertiglide a natural choice for enhanced safety.

Available on:

Applause® honeycomb shades

Duette® honeycomb shades

Custom Shutter Collection

All Hunter Douglas shutters are cordless by design, eliminating the potential safety hazard posed by operating cords. They add extraordinary beauty to any room and are especially well suited to homes with young children.

Bridgeway® Specialty Shapes

Heritage® hardwood shutters

NewStyle® hybrid shutters

Palm Beach™ polysatin shutters

Wand Control

The wand option on select Hunter Douglas vertically-oriented window fashions allows all functions to be controlled by a single wand without the need for operating cords. Available on:

Custom Vertical Blinds

Luminette® Privacy Sheers

Park Lane® Privacy Sheers

Skyline™ Gliding Window Panels

Single-Cord Operation

Silhouette® window shades
with UltraGlide® lift system

UltraGlide®

This patented Hunter Douglas system features a retractable pull-cord that maintains a constant length, whether the shade is raised or lowered. This significantly reduces access to the lift cord. Available on:

- Duette®** honeycomb shades
- Nantucket™** window shadings
- Pirouette®** window shadings
- Silhouette®** window shadings
- Vignette®** Modern Roman Shades

TruRise®

TruRise® is a state-of-the-art lifting system featuring single-cord operation — pull straight down on the tassel to raise the shade, or lower it by lifting the tassel straight up. The cord never travels beyond 42", eliminating cord pooling. Available on:

- Duette** honeycomb shades

Other Safety Features

Combination Wand/Cord

The combination wand/cord option integrates both tilt and traverse functions into one easy-to-use control that keeps the cord taut. Available on:

- Custom Vertical Blinds**
- Luminette® Privacy Sheers**
- Park Lane® Privacy Sheers**

Cord Tensioner

Our cord tensioner with spring tension and bracket, when properly installed, holds looped cords taut to reduce the risk of an inquisitive child becoming entangled. Available on:

- Applause®** honeycomb shades
- Brilliance®** pleated shades
- Custom Vertical Blinds**
- Designer Roller Shades**
- Designer Screen Shades**
- Duette** honeycomb shades
- Nantucket** window shadings
- Park Lane** Privacy Sheers
- Pirouette** window shadings
- Provenance®** woven wood shades
- Silhouette** window shadings
- Skyline™** Gliding Window Panels
- Vignette** Modern Roman Shades

Cord Cleat

Designed for standard cordlock products, the cord cleat allows excess lift cord to be tightly wrapped around it for both enhanced safety and a neater appearance at the window. Available on:

- Applause** honeycomb shades
- Brilliance** pleated shades
- Chalet Woods®** wood blinds
- Country Woods®** wood blinds
- Designer Screen Shades**
- Duette** honeycomb shades
- EverWood® Collection** alternative wood blinds
- Modern Precious Metals®** aluminum blinds
- Provenance** woven wood shades
